TBB-24-60-FR-S

FEATURES/BENEFITS

- Oversized, environmentally friendly (134A) forced-air refrigeration system maintains cold 33°F to 38°F product temperatures.
- 24" depth makes for easy placement in tight areas. Conserves valuable work space.
- TBB-24 models feature a finished stainless steel top providing an excellent work or storage area. TBB-24GAL models feature a galvanized steel top designed to slide under existing cabinetry providing a built-in look.
- Attractive, wear-resistant laminated heavy duty black vinyl exterior.
- Interior - 300 series stainless steel floor with 1/2" lip & heavy galvanized steel walls.
- Interior - NSF approved for pre-packaged and bottled goods.
- Foamed-in-place, high density polyurethane insulation (CFC free).
- Bright fluorescent interior lighting for excellent visibility.
- Air vents on side to maximize flow of fresh air through condenser.
- Recessed handles on solid door models.
- Door locks standard for solid swing door, models.
- Positive seal doors.
- Self-contained system.
- Simple plug-in installation.
- Heavy duty 10 mil thick pure grade black PVC coated shelves for maximum storage use. Two shelves per door on two door models. Three door models feature two shelves for the right door and two long shelves which span both the left and center doors.
- Each cabinet designed to accommodate a variety of beer kegs.
- Available with optional legs or 2 1/2" or 4" diameter castors.
- Optional organizers available (excludes TBB-24-60's & TBB-24-72's)
  -one liter or wine bottle
  -12 oz. bottle

Glass Door Models

- Energy efficient, "Low-E", thermal insulated glass doors.
- Extruded, aluminum door frames on glass swing doors.

Stainless Steel Models

- Stainless steel exterior for those who appreciate the value of stainless.

Food Rated Models

- NSF-7 approved for open food product.
- Stainless interior.

Remote cabinets available 14% off list (condensing units supplied by others; system comes standard with 404A expansion valve and requires R404A refrigerant). Consult factory technical service dept. for BTU information.
