

POWDER COATING

A permanent functional, protective and decorative color coating.

STG2RVLD-2G BLK/BLK

G4SM-23-RGS-LD BRZ

True's powder coating ability provides superior metal pretreatment system maximizes the adhesion of the powder coating to the metal, giving the surface a smooth, more even finish and preventing chipping.

True's new powder coating system has almost zero VOC emissions, providing a quality finish without harming the earth's ozone layer.

True powder coating can be done in foodservice grade to allow it to be NSF 7 compliant for use in any foodservice environment.

True can powder coat the interior and exterior of most models in a wide variety of standard and custom colors. Please contact factory representative for details.

Made in the USA
