REFRIGERATION

Curved Edge Design

Illuminated Handle Position Indicator

True's Contemporary Series

True's Contemporary Visual Merchandiser (CVM) is built with durability, stability, and style in mind. This cabinet redefines merchandising with its curved edge design and increased cold storage capacity while providing a stunning product display.

True CVM | Series

CONTEMPORARY VISUAL MERCHANDISER

CVM | Features

- With its curved edge design and increased beverage storage, the series redefines merchandising
- The curved-edged door design has a built-in handle for opening the door from the top or side
- Illuminated handle position indicator
- Uses environmental friendly R290 Hydrocarbon refrigerant.
- Energy efficient, factory balanced, refrigeration system holds 33°F to 38°F (.5°C to 3.3°C)
- Self-cleaning Condenser Technology eliminates the need for cleaning of condenser coil, reduces energy consumption and helps maintain the coldest temperature and freshest product
- Exterior Digital Temperature Display (CVM-27 only)
