ELEGANT PRESENTATION

TGM® TRUE GLASS MERCHANDISERS

The innovative TGM series combines a curved glass front with solid end panels, creating a traditional yet attractive merchandising display. True Glass Merchandisers are ideally suited for high-end interiors that demand premium materials and technical innovation.

DESIGNED FOR HIGH-END INTERIORS

FEATURES

- Large curved fixed-glass front display, with single pane tempered glass, for maximum product presentation.
- Available in three (3) temperatures: Refrigerated | Dual Zone | Dry Case
- Two rear sliding glass doors for back access. Solid wood sides with aluminum cover and front panels.
- LED lighting provides even lighting throughout the cabinet.
- Self-cleaning Condenser Technology
- Three (3) tiered levels of adjustable wire cantilever shelves that match cabinet interior color.
