TOAM[®] OPEN AIR MERCHANDISERS

True's TOAM lineup focuses on the modern consumer's fast-paced lifestyle and offers Grab 'n Go convenience resulting in high impulse sales for any application.

SOLID AND GLASS SIDED

WHY CHOOSE TOAM

Food to go continues to out-perform total dining out market.

Nearly three quarters of the population purchase food on-the-go at least once a week.

Speed + convenience = no doors!

MORE DETAILS

Scan to learn more about True's Open Air Merchandisers!

Temperature is at the heart of every True product, and our selection of Open Air Merchandisers are no exception.

1. Backlit Signage, Custom Graphics

Available on select models and customizable to your brand.

3. LED Illuminated Shelving

Each shelf is illuminated for enhanced product presentation and visibility.

2. RCU Technology

Allows for the reversal of the condensing fan motor helping to keep the coil clean and reducing energy consumption by as much as 20%.

4. Built-in Night Cover

Helps keep cool air inside and reduce energy consumption during non service hours.

5. Impulse Sales

Air curtains make it easy to view and shop for products leading to impulse sales.

6. R290 Hydrocarbon Refrigerant

R290 allows for zero ozone depletion potential (ODP) and has a global warming potential (GWP) of just 0.02. The lower the GWP the better a substance is for the environment.

The below items can be ordered to customize your True Open Air unit.
Delivery time may vary as not all unit configurations are stocked.
