Smarter Accessories. Stronger Merchandising.

True
REFRIGERATION

Accessories for Every Need

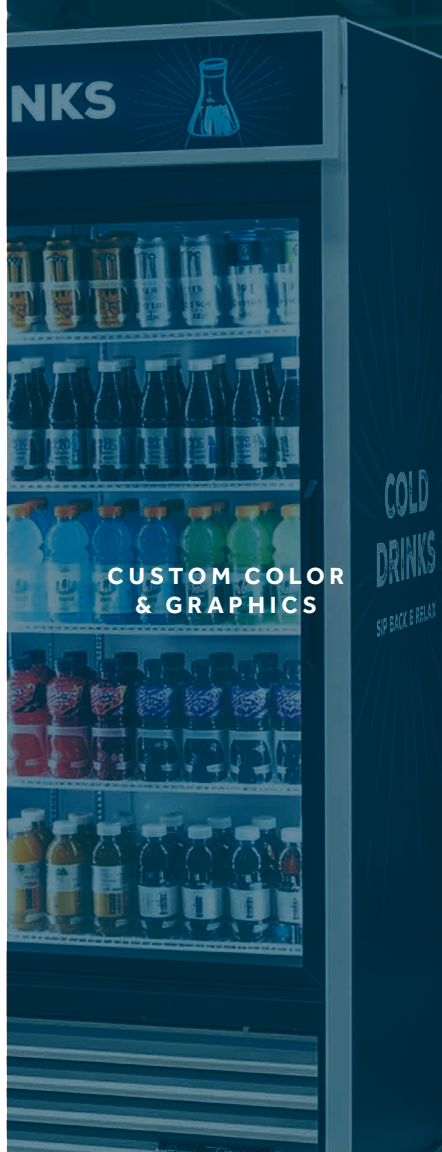

True offers a wide range of merchandiser accessories designed to customize and enhance your cooler experience. Our product organizers provide a neat, consistent presentation that helps highlight products while maintaining an organized, professional appearance.

Built as OEM solutions, our accessories are engineered for durability and seamlessly integrate across our popular product lines.

Additional customization options, including branding and logo integration, allow you to tailor your cooler for increased visibility, stronger brand presence, and enhanced customer engagement.

TrueFlex[®]

Gravity Feed
Organizers

FEATURES

- Easy to install; TrueFlex® glides snap on to standard wire shelves
- Perforated design allows for optimum air flow and ensures rapid pull-down to serving temperature
- Double front bars and high side walls prevent bottles from tipping
- Retainer clips keep organizers from sliding into door, eliminating zip ties and service calls
- Single glides offer flexibility to display multiple types of product on a single shelf
- Enhanced silicone slip agent improves gravity feed

Custom Color

The Possibilities are Endless

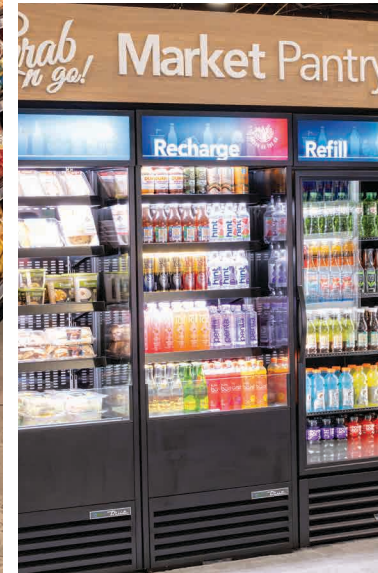

Design matters. That's why True® gives you the freedom to personalize your refrigeration.

Our stunning powder-coated finishes, and custom hues available by request, are as tough as they are beautiful. Offering long-lasting protection against chips and wear.

Customization Decals & Graphics

Custom Decals & Graphics

True sign panels, door decals, and end decals transform merchandisers into powerful marketing tools that capture attention, reinforce your brand, and encourage impulse purchases.

Whether you're promoting beverages, grab-and-go items, or seasonal offerings, we work with you to create customized displays that enhance product visibility and elevate the customer experience.

BACKLIT SIGNS

LED backlit signage with uniform illumination for enhanced brand visibility.

END DECALS

Precision-applied for a polished finish and grab attention from every angle.
