T-SERIES® UPRIGHT REACH-INS

The number one selling Reach-in cabinet, chosen by more restaurant owners than any other upright refrigerator. High-end refrigeration meets functionality with True's Reach-in refrigerators. These cabinets have a front-of-house look along with rugged construction for longevity in the busiest kitchens. Ideal for use in high grease kitchens. Compressor runs cooler and more efficiently closer to the floor as heat rises.

THE WORKHORSE OF THE KITCHEN
