

Password Entry

Subject: Password Entry

Date: January 15, 2026

Models / Parts Affected: TCIM

Voltages: All Voltages

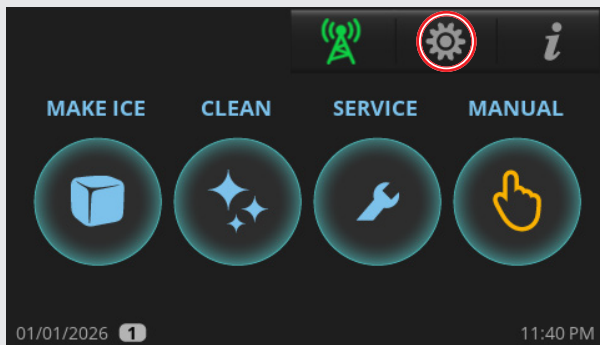

Overview

This document describes how to enter the password for access level 2 on TCIM models. Enter **0012** for level 1 access, enter **0813** for level 2 access, or contact Technical Support at 1-888-783-1429 for level 3 access. Creating a custom password is not recommended. Do not log out, this will lock the control panel to level 0 and require a password to power the TCIM on or off.

Procedure

Password Entry

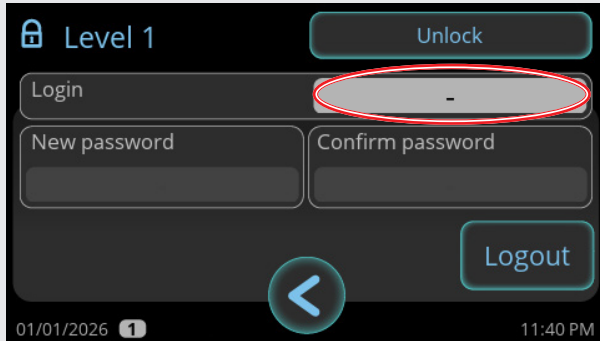

1. Power the TCIM.
2. Press the menu gear icon.

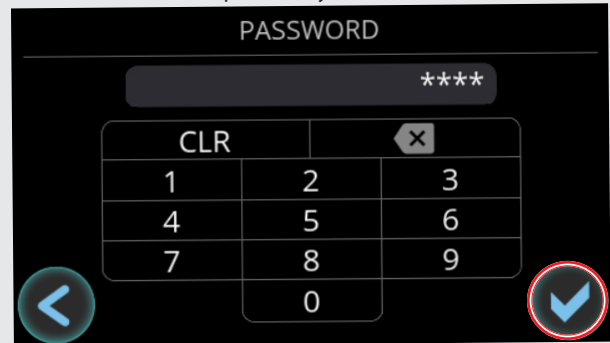

3. Press the access level login icon.

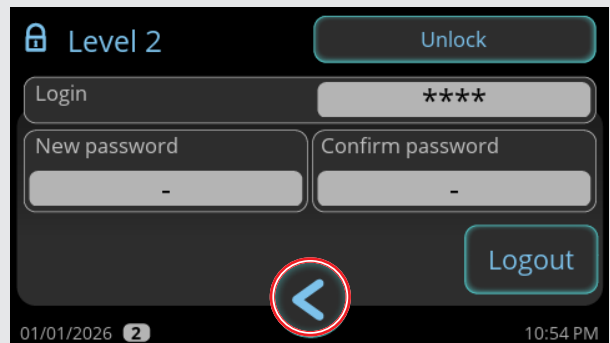

4. Press the password textbox.

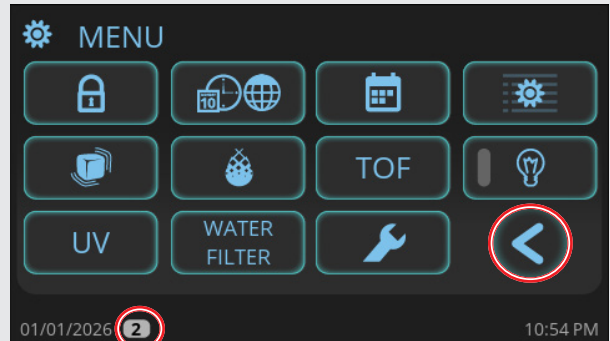

5. Enter **0813** and then press okay.

6. Press the back icon to return to the menu screen.

7. The access level next to the date in the screen's bottom left corner should be 2. Return to the home screen. Press the back icon.
