True Visual Merchandisers

True
REFRIGERATION

SUSTAINABILITY

With many open air merchandisers on the market, the TVM Full Door Series delivers the efficiency of a cooler with doors while maintaining the merchandising appeal of a traditional air curtain unit. Featuring full length glass doors with **no center mullion, maximizes load out capacity, and greatly improves energy efficiency.***

*Relative to similar volume open air merchandisers

Performance Meets Presentation

Let your products speak for themselves with True's TVM® full door series. This modern refrigeration solution effortlessly combines functionality and style to elevate in-store merchandising and **boost impulse sales**. With its proven robust design, the TVM full door series integrates seamlessly into any retail environment.
